To All Interested Consultants

Project : **Pulaski & Noyes Indoor Family Aquatic Center Planning**

Project No.: **P178-10606 & P179-10607**

Subject : **AMENDMENT 1 TO REQUEST FOR PROPOSAL (R.F.P.)**

The Milwaukee County Department of Parks, Recreation and Culture (Parks) and Department of Transportation and Public Works (DTPW) are requesting proposals for professional services to complete the planning and design for a proposed family aquatic center at Lincoln Park. The original RFP was issued February 25, 2010. The RFP is amended as follows:

1. The Pulaski Indoor Pool building drawings attached to the RFP do not correctly represent the building orientation. Original drawing of both buildings are available for viewing in DTPW offices at 2711 W. Wells Street, Milwaukee, WI. Please call to arrange an appointment to review the drawings.
2. The AutoCAD drawings used to create the drawings attached to the RFP will be made available on the County website (as listed in the RFP) for use by the consultant in preparing proposals if desired. It is understood that the Pulaski drawings will need to be modified (mirrored diagonally) to better represent the current floor plan.
3. The following additional information has been posted on the website:
   - AutoCAD drawings of Noyes and Pulaski
   - Energy Savings efforts undertaken or planned to be undertaken at each building exclusive of the pool addition project
   - Milwaukee County Green Print
   - RFP Amendment No. 1

Please direct any questions regarding Amendment 1 to the RFP to me at the address, FAX number or email included in the original RFP.

Sincerely,

Karl Stave, P.E.
Project Manager
